3. Enter the Curation Code

5

Enter this competition's curation verification code: IQBZC6DU.

The screenshot shows a web interface for entering a curation code. On the left, there is a sidebar with a menu: '作品列表', '+ 新增作品', and '作品觀摩'. The main content area has a vertical list of steps: 'Step1 基本資料', 'Step2 縮圖設定', 'Step3 作品文件', 'Step4 公開作品', and 'Step5 加入策展'. 'Step5' is circled in red. To the right, there is a text input field containing 'IQBZC6DU' and a '驗證代碼' button.

6

The screenshot shows the competition details page. The sidebar on the left has the same menu as in step 5. The main content area displays the competition title: '113-2 臺灣師範大學程式設計通識課程專題競賽 NTNU General Education Programming Project Competition Guidelines'. Below the title, there is a paragraph of text: '您的作品目前可以在113-2 臺灣師範大學程式設計通識課程專題競賽 NTNU General Education Programming Project Competition Guidelines被瀏覽。'. At the top right, there is a '驗證代碼' button.

7

等待作品建立完成，系統將自動加入此策展。

The screenshot shows the final confirmation step. The sidebar on the left has the same menu. The main content area displays the competition title and the same paragraph of text as in step 6. At the top right, there is a '驗證代碼' button. At the bottom right, there are two buttons: '上一步' and '送出'.

4. Complete Registration

- After completing the above steps, return to the DemoX homepage.
- Click on "14th NTNU General Education Programming Project Competition."
- Find your uploaded project, click to open it, and copy the URL.

**This project URL is what you need to fill in on the registration form!
Submit your project now and showcase your creativity!**

A screenshot of the registration form for the competition. The browser address bar shows the URL "demox.tw/idea/detail?id=1926", which is circled in red. A red arrow points from this URL to the "請問您的專題網址是? (請填入DemoX平台專題網址)*" field in the form. The form also includes a field for "請問您的參賽作品名稱是?*" and a "問題 回覆 設定" menu.
