3. Enter the Curation Code

5

The screenshot shows the 'Step 5 加入策展' (Add to Exhibition) step. On the left sidebar, the steps are listed: Step1 基本資料, Step2 縮圖設定, Step3 作品文件, Step4 公開作品, and Step5 加入策展, which is highlighted with a red circle. The main area has a header with the code 'E60TWNSL' and a '驗證代碼' (Verify Code) button. A large purple brushstroke graphic contains the text: 'Enter this competition's curation verification code: E60TWNSL'.

6

The screenshot shows the 'Step 6 基本資料' (Basic Information) step. The left sidebar highlights '基本資料'. The main area displays the code 'E60TWNSL' and a '驗證代碼' button. Below this is a large box with a competition poster and the text: '114-1 臺灣師範大學程式設計通識課程專題競賽 NTNU General Education Programming Project Competition'. Below the title, it says: '您的作品目前可以在114-1 臺灣師範大學程式設計通識課程專題競賽 NTNU General Education Programming Project Competition被瀏覽。' (Your work can currently be viewed in the 114-1 NTNU General Education Programming Project Competition).

7

The screenshot shows the 'Step 7 新增作品' (Add New Work) step. The left sidebar highlights '新增作品'. The main area has a header with the code 'E60TWNSL' and a '驗證代碼' button. Below this is a large box with a competition poster and the text: '114-1 臺灣師範大學程式設計通識課程專題競賽 NTNU General Education Programming Project Competition'. Below the title, it says: '您的作品目前可以在114-1 臺灣師範大學程式設計通識課程專題競賽 NTNU General Education Programming Project Competition被瀏覽。' (Your work can currently be viewed in the 114-1 NTNU General Education Programming Project Competition). At the bottom right, there are buttons for '上一步' (Previous Step) and '送出' (Submit).

4. Complete Registration

- After completing the above steps, return to the DemoX homepage.
- Click on "15th NTNU General Education Programming Project Competition."
- Find your uploaded project, click to open it, and copy the URL.

**This project URL is what you need to fill in on the registration form!
Submit your project now and showcase your creativity!**

A screenshot of the DemoX platform. The top part shows a project URL "demox.tw/idea/detail/?id=2087" circled in red. A red arrow points from this URL to a registration form. The form has a yellow border and contains two questions. The first question is "請問您的參賽作品名稱是?*" (What is the name of your competition project?). The second question is "請問您的專題網址是? (請填入DemoX平台專題網址)*" (What is the URL of your project? (Please enter the DemoX platform project URL)). Both questions have a "簡答文字" (Short answer text) input field.
